

## **FISCAL NOTE**

### **SB 3620 - HB 3700**

March 26, 2006

**SUMMARY OF BILL:** Revises the publication, notice, and other requirements for public housing development and redevelopment plans.

#### **ESTIMATED FISCAL IMPACT:**

**Decrease Local Govt. Expenditures – Exceeds \$100,000**

Assumptions:

- Currently, any plan for a public housing project is required to be published for three consecutive weeks prior to a public hearing on the matter. Such notice requires a map of the affected area. This bill would remove that requirement resulting in a decrease in local government expenditures in excess of \$100,000.
- There are at least 89 housing authorities in the state.
- Publishing costs for each map are estimated to be \$7,500 for three notices.
